

Thyllis Ross

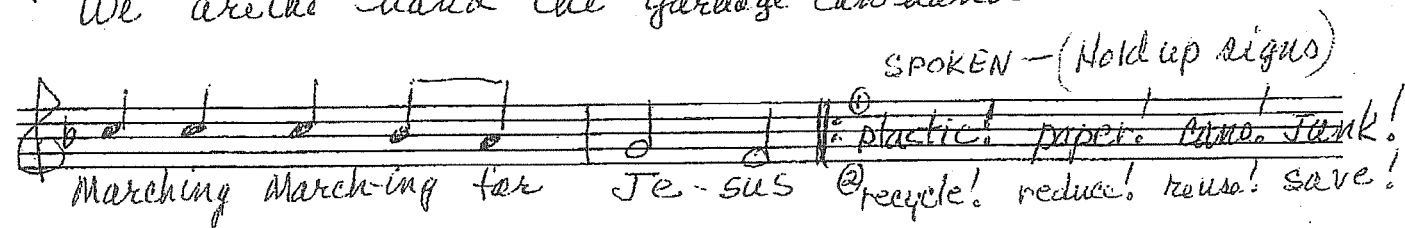

We are the band the garbage can band

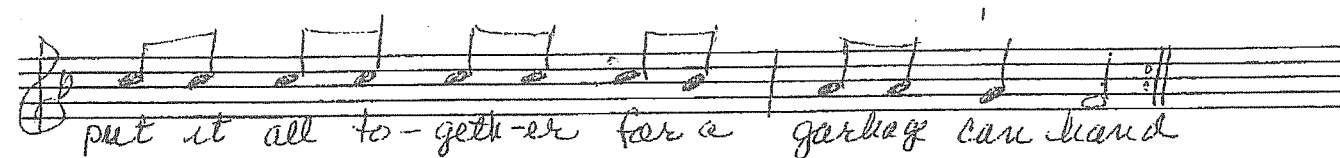

We are the band the garbage can band

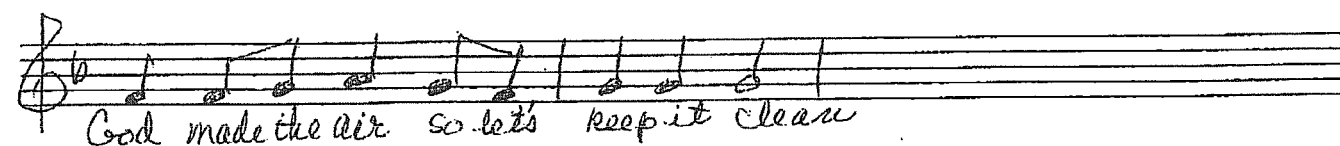

We are the band the garbage can band

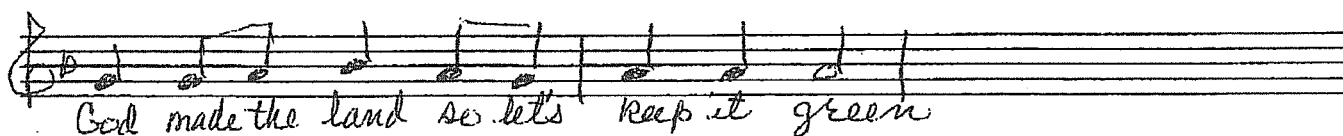

Marching March-ing for Je-sus @ recycle! reduce! reuse! save!

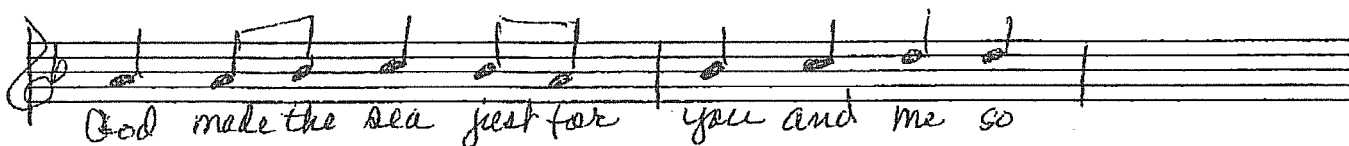

put it all to-geth-er for a garbage can band

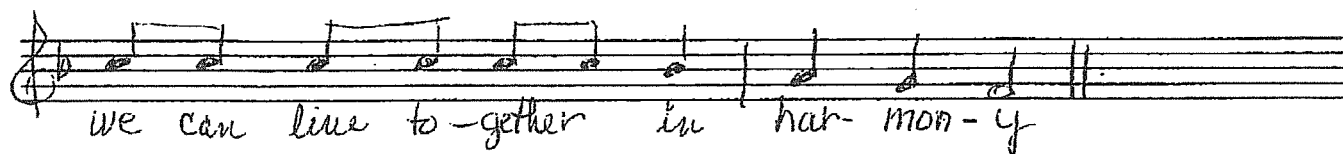

God made the air so let's keep it clean

God made the land so let's keep it green

God made the sea just for you and me so

we can live to-gether in har-mon-y

Repeat music while kids play their trash can instruments.
